

Uber

Uber was founded in **2009** by **Travis Kalanick and Garrett Camp** in **San Francisco**. It started as **Uber Cab**, a simple idea to book a luxury car using a smartphone app. The concept came from the founders' difficulty finding a taxi, which led them to create a **technology-driven ride-hailing platform**. Over time, Uber expanded globally and diversified into services like **UberX, Uber Eats, and freight**, transforming urban transportation worldwide.
